

Adoption Application

Thank you for your interest in adopting a golden retriever. Please review our Adoption Guide then complete this application to help us match you with a golden. Upon receipt of your application a volunteer will contact you to set up a time to meet with you at your home. Once you have been approved to adopt we will provide you with the contact information of dogs you are interested in meeting. If no golden is currently available we will hold your application for six months and contact you if a golden comes into rescue that might be a good match for your family.

Dogs are placed with the family that best meets the dog's needs and NOT on a "first come, first served" basis. It is not possible to estimate how long it will take for you to find "just the right golden". We are a small rescue and take in less than 50 goldens per year.

You will be asked to complete an Adoption Agreement and to provide an adoption fee of:

- \$500 for an altered golden retriever under the age of one year.
- \$800 for an unaltered golden retriever under the age of one year. Up to \$300 will be reimbursed upon proof of alter.
- \$400 for a golden age one to ten.
- \$700 for a golden over age one adopted prior to alter. Up to \$300 will be reimbursed upon proof of alter.
- \$100 for a senior or special needs golden.
- Please add a \$200 donation to the adoption fee to help defray the cost of dogs coming from overseas.

Dogs are spayed/neutered, vaccinated, provided with flea/tick/heartworm prevention and medical needs are addressed. Adoptions are not final until proof of altering no later than age two years or as recommended in writing by your veterinarian. Failure to alter may result in reclamation of the golden. You will be provided with a collar, a 6 ft leash and a golden rescue ID tag. *You should bring a tag with your contact information when you pick up your dog.*
